<p><i>SOHS Recruitment Committee</i> 2010- current 2011-2012 Chair</p>	<p>The purpose of the Recruitment Committee is to recommend, implement and evaluate recruitment activities that will assist the School in meeting undergraduate and graduate recruitment goals.</p> <p>Functions: 1) Collaborate with the University of Saint Francis Admissions Office to implement recruitment activities. 2) Monitor the implementation of the Enrollment Management & Integrated Marketing Plan. 3) Evaluate the effectiveness of recruitment activities. 4) Maintain SOHS display case at Parkview Hospital Main</p> <p>The Committee Chairperson determines the agenda, meeting time and frequency of the meetings in collaboration with the faculty.</p>
<p><i>General Education Committee</i> 2004-2007 Secretary 2005-2006, 2006-2007</p>	<p>This Faculty Forum Committee is an elected position by all university faculty. Responsibilities have included the evaluation of the current GE curriculum for Bachelor's programs, development of a completely new GE curriculum, and working with The School of Health Sciences and among other Schools at the University during this process. The GE Committee will enter into the second phase of development of this new GE curriculum this academic year with implementation planned in 2006-2007.</p>
<p><i>Nursing Recognition & Pinning Committee</i></p>	<p>Three times per year, this Committee plans a special ceremony that highlights the accomplishments of all nursing</p>

<p>2004-2007 Chair 2005-2006 Co-Chair 2007</p>	<p>graduates: ASN, BSN & MSN. Coordination includes working closely with university and department administration, committee members, and student representatives from all nursing academic programs, to plan and present these meaningful programs, which include featured speakers and participation from each of the student groups. This past May there were over 700 guests in attendance, with approximately 100 nursing graduates.</p>
<p><i>Nursing Care Plan Task Force</i> Chair, 2004-2005</p>	<p>This Task Force was created in response to student and faculty concerns regarding inconsistent use of key components of the nursing process across the curriculum in the BSN program. I conducted a literature search, survey of BSN faculty, and a proposal for use of consistent definitions, format, and process. The proposal was unanimously approved by the BSN faculty and the information presented to ASN faculty for consideration. The Task Force was discontinued at the end of the academic year once the issue was resolved. The Department of Nursing now incorporated a uniform delivery of care plan instruction across programs.</p>

As elected Counselor for USF, I coordinated and directed the Induction Ceremony held Spring 2005, in which students (BSN & MSN) and community leaders were inducted.</p> <p>As an active member of the Fund Raising Committee, I have helped coordinate and implement the annual Silent Auction that is held each May at the Spring Banquet. This active event is attended by nearly one third of the membership and has raised over \$20,000 for the Chapter.</p>

	<p>These raised funds are used to support the goals of the organization and include student scholarships and scholarly activities awards.</p> <p>In 2002, I served on the Program Planning Committee for the annual Research Colloquium attended by over 100 nurses from the local and regional area. This daylong program included a national speaker, research poster presentations, and concurrent sessions of research and scholarly endeavors.</p>
Wellness Committee 2005-2009	This is a committee formed from the Wellness Task Force. This new committee will focus improving the health of students, faculty on staff across campus, in addition to the community thru health promoting activities and education. We also hope to develop a wellness clinic on campus in the near future.
